

Our excellent care goes home with you!

Save time and get home sooner with Rex M.E.D.S. (Medication & Education Delivery Service)

Don't make an extra stop on the way home. While you prepare for discharge, allow Rex M.E.D.S. to fill your outpatient prescriptions. Our skillfully trained technicians will meet you at bedside and gather your demographic and insurance information, help answer questions regarding your prescriptions, and deliver your medication to you before leaving the hospital.

Rex M.E.D.S. (Medication & Education Delivery Service):

- Convenient bedside prescription pick and medication delivery.
- Ensures your medication is available prior to leaving the hospital.
- Guarantees you know the cost of your medication and if it is covered under your prescription insurance plan prior to leaving the hospital.
- While working closely with prescribers, Rex Pharmacy of Raleigh helps to ensure your prescriptions are filled correctly and appropriately.
- Access to drug information and side effect counseling with a pharmacist.
- Refills easily transferred to your home pharmacy
